

**WHAT COULD MASONS AND THE  
AMBER ALERT POSSIBLY HAVE IN COMMON?**

**MASONI**  
**Ch.I.P ONTARIO**

## **Child Identification Program**

Taking place Saturday, September 29 at the Caledonia Fair from 9am to 4pm. Members of St. Andrew's Lodge in Caledonia will be on hand to further the safety of our children. The child identification program will be provided to the community **FREE OF CHARGE**.

The MASONICH.I.P. Program consists of five major components—digital photographs; digital video; digital fingerprints; vital child information; and a dental bite or intra-oral swab for DNA sampling. The digital information is burned onto a CD along with the vital information, and provided with the DNA sample in an envelope for you to take home. After each child's information is processed, the data is deleted and erased from the computer, using state-of-the-art software. The only item retained by MASONICH.I.P. is the signed permission slip.
